

## GWRRA Central Canada District Rendezvous 2019

### April 2019: For Immediate Release GWRRA Central Canada District Rendezvous 2019

From July 18 – 21 2019, members of the Gold Wing Road Riders Association (GWRRA), Central Canada District (Ontario and Quebec) will be holding our annual “Rendezvous” at the Niagara College Conference Centre in Niagara-on-the-Lake, Ontario. This district rally event brings GWRRA members from Canada and the US together to renew and make new friendships and participate in a variety of activities and programs such as motorcycle rider skills and safety education seminars; drill team demonstrations; contests and games; and guided rides through local communities and tourist areas.

The theme for this year’s rally is “Wild Wild West”. Hundreds of members are expected to attend this event, sponsored in part by Honda Canada and supported various businesses throughout the Niagara area.

GWRRA is the world's largest not-for-profit, motorcycle touring organization, formed in 1977 primarily for owners and riders of Honda Gold Wing/Valkyrie motorcycles. Members foster safe, enjoyable riding; promote safe driving to all motorists in our communities; and work to improve the public image of motorcycling.

Niagara Guardian Wings, one of 16 Chapters in this district, has members from all corners of Niagara and typically holds its breakfast gatherings the 3<sup>rd</sup> Sunday of every month in Welland, Ontario. Chapter life offers fellowship, motorcycle rides and tours, riding skills development, and various social activities. All makes of bikes and trikes are welcome; both riders and co-riders are members. For more information about Niagara Guardian Wings, visit our website: <http://on-g.ccdistrict.ca>.

On behalf of the GWRRA members of Central Canada District and the organizing committee for Rendezvous 2019, we invite Niagara businesses to consider supporting this year’s rally by contributing a door prize, sponsoring an activity, or purchasing a vendor table. Funds generated at the event help offset the cost of programs for members, such as leadership training, rider education, and Couple of the Year as well as for contributions to local charity organizations.
